Termite Inspection Form Instructions

When you finished filling the form out, It's Best to PRINT to a PDF File and send it. OR you can print to a printer and Fax us the sheet. When done with the Master form do not save your work as it saves and overwrites the master form. As a PDF you can easily send by E Mail. This saves time in taking your order by phone and in a couple of minutes you can call our office to verify we got it or they will call you when it's scheduled **Note PDF Factory link use the free version**
